5. MOTIONS ON NOTICE

1.1 Year Level Funding Disparity

Darwin Middle School Board

"THAT NTCOGSO request that the Department of Education review the disparity between the Middle and Senior School Year level weighting in the school resourcing model that creates a differential in funding between middle and senior schools, significantly in the favour of senior schools.

Further that the Department of Education increases the year level weighting of middle schools in line with senior schools so that middle schools can support the delivery of quality education and social and emotional development during early adolescence with the objective of achieving better engagement during middle school and more transitions supporting the completion of senior school."

Noelene Armstrong / Beverley Ratahi / CARRIED -2021/1.1

1.2 Funding for Students with Additional needs

Darwin Middle School Board

"THAT NTCOGSO request that the Department of Education introduce funding for Students with Additional Needs so that students with a supplementary classification under the NCCD, who do not attract individual funding, can receive funding from the Department of Education to support implementing classroom adjustments.

WITHDRAWN -2021/1.2

1.3 Access to School Counsellors

"THAT NTCOGSO requests the Department of Education to ensure access to School Counsellors for all remote and regional schools.
