

Health Check-up Committee

An anonymous evaluation on your Committee- for all members

Apply all of these statements to the overall function of your School Representative Body Committee.

Tick your level of agreement or disagreement; and then note how big a priority it is for you.

Statements	Strongly agree	Agree	Not sure	Disagree	Strongly disagree	Priority (low / medium /high)
Members of the Committee know what their roles are and what they are responsible and accountable for to the School Representative Body.						
Committee Members behave ethically, and act as role models for good behaviour.						
Committee Members are provided with Terms of Reference.						
The School Representative Body, staff and management have belief and trust in our recommendations. We know this as we have established processes for feedback.						
As a Committee member I consider I am able to have a voice and actively participate in Committee discussions.						
We manage internal conflicts and differences of opinion so that they don't undermine our ability to provide recommendations.						
Meetings are well-managed and we use sound decision-making processes to make our recommendations.						

Statements	Strongly agree	Agree	Not sure	Disagree	Strongly disagree	Priority (low / medium /high)
All reports are provided to the School Representative Body a minimum of 3 days prior to the School Representative Body Meeting.						
As a Committee member I understand our financial responsibilities. (Applicable to finance/fundraising Committee Members)						
The Committee communicates well with the School Representative Body staff and community members, and there is a high level of trust and feedback.						
Our Committee and School Representative Body work well together and achieve outcomes for students and our school.						
We effectively communicate ideas and report on unanimous recommendations to the School Representative Body.						
We make sure our members have a say in our future ideas.						
The School Representative Body recruits and appoints Committee Members fairly.						
We regularly review our progress and achievements.						
We complete this Health Check annually to provide an opportunity for every member to evaluate our performance.						
We are provided with an opportunity to complete and lodge this anonymously.
